Our project summaries;

Making Ways

Making Ways is an ambitious three-year project that demonstrates, celebrates and develops exceptional contemporary visual art produced in Sheffield. The visual art programme builds on Sheffield's *Year of Making, 2016*; revealing artistic talent in year one and taking talented individual artists to the next level in years two and three. **Runs until July 2019. Lead org M:S. Site, YA, SHU, UoS on the steering group. Programme Coordinator Janet Jennings.**

Creative Guild

An active, driving force in the city's creative life – joining us together and raising us up. We want the world to know what the city is made of. Perhaps more importantly, we want the city to know what it has – this rich diversity of world-class talent, on the doorstep. **Programme Manager, Jane Shields.**

Darnall Community of Culture

Project bid being developed with Darnall Wellbeing to: support a range of cultural activity in Darnall; to explore the use of empty shops as cultural venues; to understand how creative activity makes people feel better; and to strengthen links between Darnall communities and city centre cultural opportunities. Stage 1 bid to be submitted summer/autumn 2019.
