Creative Guild

An active, driving force in the city's creative life – joining us together and raising us up. We want the world to know what the city is made of. Perhaps more importantly, we want the city to know what it has – this rich diversity of world-class talent, on the doorstep. **Programme Manager, Oriana Franchesci.**

Darnall Community of Culture

Project bid being developed with Darnall Wellbeing to: support a range of cultural activity in Darnall; to explore the use of empty shops as cultural venues; to understand how creative activity makes people feel better; and to strengthen links between Darnall communities and city centre cultural opportunities. Stage 1 bid R&D bid successful October 2019, creative consultation being undertaken by Ignite Imaginations from January 2020 to inform a 2-year programme bid.
